Re: New Local Executive Board Elected by Acclamation

The duly appointed Election Committee of SEIU Local 199 is notifying our voting members that the new Executive Board was elected by acclamation. The vote was certified on September 26, 2011.

Because only one person was nominated (and accepted that nomination) for each Executive Board position during the constitutionally required and fully noticed September 15, 2011 nominations meeting, and SEIU Local 199's Constitution and Bylaws prohibits write-in voting, the Committee determined that a vote by acclamation was in order.

Committee members reasoned that spending thousands of dollars of our members' dues money to run a mail ballot in which the conclusion was already known was inappropriate in these difficult economic times.

Consequently, the following people, who are qualified to hold office under Local 199's Constitution and By Laws, have been elected to serve as the Executive Board for the next three years. The term of office will begin on November 10, 2011.
