This shall include all such personnel on an authorized leave of absence, but shall not include any position, which is supervisory or administrative in nature.

The bargaining unit described above includes all education aides employed by the Board. The bargaining unit described above does not include any personnel excluded by Section 4 of the Public Employees Relations Act.

b. Definitions

1. The term employer shall mean the Central Community School District, its Board of Education or other representatives.
2. The term employee shall mean those employees who serve as teacher aides and special education aides.

Article 2. Union Rights

- a. The Union shall have the right to hold meetings on school district property after regular school hours, provided that such meetings in no way interfere with any aspect of the instructional or activity program. Any out-of-pocket expenses to the district resulting from such meetings will be borne by the Union, as appropriate, and within the provisions of school district policy. Such meetings will be scheduled with the building principal where they shall be held and subject to his/her approval.
- b. The Union shall be provided with bulletin board space in each school.

Article 3. Grievance Procedures

a. Purpose

The purpose of this procedure is to provide a prompt, orderly method for securing, at the lowest possible level, an equitable solution to grievances. The parties agree that grievance proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

b. Definition

A "grievance" is defined as a claim by an employee or the Union that there has been a misinterpretation or misapplication of this agreement.

Any grievance shall be processed in the following manner:

Level One - An aggrieved person shall first discuss the grievance with the employee's immediate superior, either by the employee or in the company of another employee selected by the employee, with the objective of resolving the grievance informally.

Level Two - If the aggrieved person is not satisfied with the disposition made at Level One, or if no disposition is made within five (5) days after the discussion, the employee may file the grievance in writing with the employee's immediate superior. The immediate superior shall, within five (5) school days after receiving the written grievance, give the aggrieved person the written answer.

Level Three - If the aggrieved person is not satisfied with the disposition as evidenced by the written answer, the employee may appeal such disposition to the Superintendent of School within fifteen (15) days. The Superintendent shall, within five (5) school days after receipt of the grievance, meet with the aggrieved person and the employee's representatives and such other persons as the Superintendent has designated to consider the grievance. Within four (4) school days after such meeting, the Superintendent or representative shall give the aggrieved person a written disposition of the grievance if settlement was agreed upon or, if not, his/her answer to the grievance.

Level Four - If the grievance is not resolved satisfactorily at the third step, there shall be available a fourth step of impartial binding arbitration. The aggrieved may submit, in writing, a request for binding arbitration to the Superintendent or designee within thirty (30) days from the receipt of the answer in the third step, to enter into such arbitration. Within three (3) days of receiving the request for arbitration, the District or the Union shall request the Public Employment Relations Board to provide a panel of five (5) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one remains. The remaining name shall serve as the arbitrator.

Expenses for the arbitration shall be borne equally by the school district and the aggrieved.

The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing or oral testimony by the school district and the aggrieved, and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the Agreement.

Article 4. Leaves

The Superintendent may grant a leave of absence with or without pay for good cause.
